## ENJOYING MARCH

Valentine's Day was another successful party! It was nice to see everyone dressed up, socializing with each other and enjoying the delicious dinner.

Next up, we have our 007 Casino Royale party. Put on your best cocktail attire and come down for an evening on blackjack, poker, and shaken martini's that even James Bond would be jealous of!

A friendly reminder to all residents to please show up on time for exercises, meetings and seminars. For outings, if you are not present at the designated leave time, we will be taking off to ensure all those that are on the bus have the optimal experience at the outing destination.

Concierge Team Leader  
Anabell Lomeli

*"Aloha amigos !  
I am excited to be hosting the next dinner with the residents.*

*This month we will be beginning our 'lottery draw system.' If you're interested in attending the dinner please let the Concierge desk know. We will put all the interested residents names into a box and pull names to fairly select those that wish to come to the hosted dinner.*

*Looking forward to seeing you there!*
