Attention to detail in costumes and choice of music assures a performance of high standard. Make sure you don't miss them on **Wednesday April 25th at 2:00pm!**

There will be a "Tech Question and Answer" with Brayden this month. He will have a designated 30 minute time slots to spend with residents to discuss any tech questions you may have. The sign-up sheet is by the mailboxes, please make sure you sign-up.

If you wish to join or renew your Vancouver Symphony Tea and Trumpets subscription for the 2018 season, please see Julie. Seats can only be held until **May 8th**.

In the event that the paramedics are ever called it is extremely helpful to have your care card number to give to them. If you wish, please provide the Concierge with your care card number so we can have it on file for you. Another helpful item for us to have on file is your apartment insurance. Please ensure it is up to date and we can take a photocopy to add to your file.

## FIRE SAFETY

On **Tuesday April 17th at 2:00pm** we will be conducting our annual 'Resident Fire Drill'. During this drill, you will be instructed to stay in your suites and place your red fire tag on the outside of your door to alert that you are safe inside. Please note this drill is not an evacuation. You can find a copy of instructions enclosed in this new letter.

**Julie Demers**  
General Manager

The doors to your suite have an 8 hour burn time so the safest place to be in the event of a fire is in your suite, granted the fire is not in your suite.

Our staff will be surveying the floors and making note of who is and who isn't in their suites. If you have any questions please do not hesitate to ask.

## Annual Resident Satisfaction Survey

You will find the **Annual Resident Satisfaction Survey** enclosed in this booklet. Please fill out and return back to Julie Demers' office or the Concierge desk by **Monday, April 23rd**. All feedback is greatly appreciated and will help us to determine areas we need to improve. Your survey can be left anonymous if you wish. Once the results are compiled, we will release a 'Continuous Quality Improvement' plan to highlight the areas of strengths and weaknesses identified within the survey.

"We are excited to announce that the **British Columbia Senior Living Association** will be coming back to Legacy on Tuesday, June 12th for our **Seal of Approval** re-evaluation. The program assesses their member communities for the highest quality of standards within Senior Living Communities. Their goal is to assure the very best quality of services and care are maintained. There be a meet and greet for the residents scheduled for 2:00pm on the date. More information to follow in the coming months." - Julie D
