SPRINGTIME AT LEGACY

With the beautiful weather that we have been having, we are excited to get out into the community with the Legacy bus. Be sure to take a look at the calendar of events and sign up for our outings scheduled in April.

April is also a very significant month, because **Earth Day** falls on the 22nd. Legacy prides itself on being a green building and with the flowers starting to bloom, we are going to focus on planting flowers and herbs on our 3rd and 5th floor terraces. We would like to invite everyone to come out and get their hands a little dirty. Not only will we be making our home more beautiful, we will also be giving back to the Earth!
