## About Us

Legacy Senior Living was conceived as a tribute to Leo Wertman, who, in 1960, founded the business that would grow to become The Wertman Group of Companies.

Our goal is to create an outstanding residence in Leo’s honour right here in the heart of Vancouver.

A place where seniors can stay active and involved, living creative and fulfilling lives. A place where great food, friendships, culture, and thoughtful living spaces come together as the ideal lifestyle community.

## Legacy Partners to Help People in Need

Walter Downey, General Manager of Legacy recently presented a \$2,700 donation cheque to Vikki Stevenson, Executive Director of HomeStart Foundation

HomeStart Foundation is a non-profit humanitarian organization that works with over 70 member agencies to help people re-establish a home with donated home furnishings.

Walter states *“for many senior adults contemplating a move to our residence, their biggest concern is what to do with their furniture. Often these pieces have strong sentimental value. Knowing their donations are helping someone in need gives them a good feeling. Helping to provide a solution that has benefit to the giver and the receiver is a positive thing all around for everyone.”*
