Things My Mother Taught Me

My Mother taught me LOGIC..."If you fall off that swing and break your neck, you can't go to the store with me."

My Mother taught me MEDICINE..."If you don't stop crossing your eyes, they're going to freeze that way."

My Mother taught me TO THINK AHEAD..."If you don't pass your spelling test, you'll never get a good job!"

My Mother taught me ESP..."Put your sweater on; don't you think that I know when you're cold?"

My Mother taught me TO MEET A CHALLENGE..."What were you thinking? Answer me when I talk to you...Don't talk back to me!"

My Mother taught me HUMOR..."When that lawn mower cuts off your toes, don't come running to me."

My Mother taught me how to BECOME AN ADULT..."If you don't eat your vegetables, you'll never grow up."

My mother taught me about GENETICS..."You are just like your father!"

My mother taught me about my ROOTS..."Do you think you were born in a barn?"

My mother taught me about the WISDOM of AGE..."When you get to be my age, you will understand."

My mother taught me about ANTICIPATION..."Just wait until your father gets home."

My mother taught me about RECEIVING..."You are going to get it when we get home."

And, my all-time favorite - JUSTICE..."One day you'll have kids, and I hope they turn out just like YOU -- then you'll see what it's like."

Happy Mother's Day!

Guillaume Biset
Maître D

"I want to take the time to thank all of the residents for welcoming our new servers. A big thank you to Suzanne, the Assistant Maître D' for her tremendous help. We have a fantastic team with us in the dining room!"

You may have been seeing more of me at the Concierge desk. I have recently taken on overseeing the department as well as the Chauffeurs. I would like to give a special thanks to Anabell, our Concierge Team Leader for her support during this transition. Please feel free to come to me with any questions that you may have regarding the front office or restaurant.

It is my goal to continue offering the best services throughout Legacy for all of the residents and staff."
