

## **Building Maintenance Supervisor**

Legacy Senior Living is a premium independent living seniors' residence located in the heart of Vancouver's Oakridge community. This west-coast boutique residence features 91 suites, and offer premium services, amenities and the ideal lifestyle for active, independent senior adults seeking the best in retirement living. So think of us as a 5 star residential hotel where guests actually live and not just visit.

We are passionately committed to providing exceptional resort-style services every day. To do this we need to inspire and support a great team. As part of our team, you will help set the tone for a vibrant community and set the standard for Vancouver.

We entrust you to keep our building and its system in optimum condition. You will work with the corporate maintenance team using share resources and contracted services. You must have a working knowledge of the physical plant and its systems, troubleshoot problems and arrange for service. As a working supervisor, you will provide handyman service to residents and organize/assist in suite turnover. You will also serve as the Fire Safety and Security Officer and as a member of the Occupational Health and Safety Committee.

### **Requirements:**

- Genuine respect, warmth and sensitivity for older adult's needs
- Experience and working knowledge of building or property maintenance
- Organized, disciplined and resourceful with co-operative leadership style
- Computer skills ( Excel, Word) and understanding of phone & networking
- Experience as Fire Safety Officer and in WHMIS, Emergency Preparedness
- Recent experience in a major resort or hotel setting
- Completion of building maintenance and property management courses
- Willing to work as part of a hands-on team

Excellent salary & benefits, day-time hours with partial weekends off, flexible and enviable working conditions. Our website [www.legacyseniorliving.com](http://www.legacyseniorliving.com) is available for your reference.
