## About Us

Legacy Senior Living was conceived as a tribute to Leo Wertman, who, in 1960, founded the business that would grow to become The Wertman Group of Companies.

Our goal is to create an outstanding residence in Leo's honour right here in the heart of Vancouver.

A place where seniors can stay active and involved, living creative and fulfilling lives.

A place where great food, friendships, culture and thoughtful living spaces come together as the ideal lifestyle community.
