

Legacy Got Vaccinated!

Our sincerest gratitude for the doctors, nurses and healthcare workers that are fighting on the front lines. We are immensely thankful for the Vancouver Coastal Health Public Health nurses and their team that organized the COVID-19 vaccine clinic here at Legacy Senior Living this week. This was a highly anticipated, and greatly appreciated event that allowed all of our residents, staff and essential visitors to get their first dose of the Pfizer vaccine, giving us one much needed layer of protection for our seniors.
